

Rockwell Collins Craft Club June 2018 Newsletter

It is peony season once again. I love the lilacs, iris, and peonies... and let's not forget the rhubarb too. All the best things, all at once :) I am back to work after getting my new knee. I am already starting to work on things for fall craft shows. And the best news of all is that the Rockwell Craft Fair is back on again this year!!! Dates are November 8-10.

- ☀ This month's craft project will be a patriotic one involving stars and red-white-blue color scheme. You do not need to bring any special supplies or tools, unless you have your favorite type of glue or sticky tape dispenser.
- ☀ Our craft project last month was adorable little fairies made with silk flower petals, wire, embroidery thread, and a wooden bead for a head. As usual, everybody's turned out a bit different, but were all very cute. Another option of that project would be to make angels instead of fairies. See Page 4 for some examples.
- ☀ If you want to be in the Rockwell Craft Fair and have not signed up yet, contact Jan O'Brien to see if there are still openings. 377-8111. Tables are \$30 each.
- ☀ Here's directions for anyone who has not come to our new location yet: Please call me if you have any questions or if you get lost. Remember, if you are coming from north of Blairs Ferry Road or from Marion, the median strip will prevent you from turning into the driveway on C Avenue, so if you continue past the building on Blairs Ferry, you can enter that driveway, and then drive around to the front or side of the building to park.
Building 131 is located at the SE corner of C Avenue and Blairs Ferry Road. There is a small parking lot on the west side of the building, between the front of the building and C Avenue. We will use that main front door, and one of us with a badge will have to open the door to let the others in. Then once inside, the Ash Conference Room and some restrooms are right there for open access to all.

**This Month

| Happy Birthday! |
| July |
| 3rd — Darlene Edgington |
| 30th — Judy Kennedy |

Patriotic craft and floral ideas:

Here's some patriotic food ideas for Flag Day and Fourth of July:

Q: What's the difference between a Hippo and a Zippo?

A: One is very heavy and the other is a little lighter !

When you can't control what's happening, challenge yourself to control the way you respond to what's happening.
That's where your power is.
