Tuesday the 25th, we mailed it off to the boys and girls. Thank you all so much for your generosity.

Donations for April will go to LEAF (Local Emergency Assistance Fund). Money is used to help those in emergency need for rent, utilities, dental and medical needs, groceries, gas etc. **Money donations only.**

A SHORT PRAYER FOR OUR MILITARY PERSONNEL

It's the soldier, not the reporter who gives you freedom of the press.
It's the soldier, not the politician who gives you freedom of speech.
It's the soldier, not the campus organizer who allows you to demonstrate.
It's the soldier, who salutes the flag, serves the flag & whose coffin is draped
With the flag that allows the protestor to burn the flag!!!
Lord, hold our troops in your loving hands. Protect them as they protect us. Bless them and their
Families for the selfless acts they perform for us in our time of need. I ask this in the name of
Jesus, our Lord and Savior, Amen.

WHY ENGLISH IS SO HARD TO LEARN!

The bandage was wound around the wound.
The farm was used to produce produce.
The dump was so full that it had to refuse more refuse.
We must polish the Polish furniture.
He could lead if he would get the lead out.
The soldier decided to desert his dessert in the desert.
Since there is no time like the present, he thought it was time to present the present.
A bass was painted on the head of the bass drum.
When shot at, the dove dove into the bushes.
I did not object to the object.
The insurance was invalid for the invalid.
There was a row among the oarsmen about how to row.
They were too close to the door to close it.
The buck does funny things when the does are present.
A seamstress and a sewer fell down into the sewer line.
To help with planting, the farmer taught his sow to sow.

Let's face it – English is a crazy language. There is no egg in an eggplant nor ham in a hamburger; neither apple or pine in pineapple. Sweetmeats are candies, while sweetbreads, which aren't sweet, are meat. But if we explore its paradoxes, we find that quicksand can work slowly, boxing rings are square and a guinea pig is neither from Guinea nor is it a pig. You park in the driveway but you drive on the parkway. You ship by truck and send cargo by ship.

How can a slim chance and a fat chance be the same, while a wise man and a wise guy are opposites? You Have to marvel at the unique lunacy of a language in which you house can burn up as it burns down, in which You fill in a form by filling it out and in which an alarm goes off by going on.

When the starts are out, they are visible, but when the lights are out, they are invisible. And finally, how about When you want to shut down your computer you have to hit "START"!!
