FROM THE PRESIDENT:

I can't remember that my working days were as busy or hectic as my retired years! Bet a lot of retirees can relate to that. Before spring and the yard work begins I'm trying to use that fabric I have been given so I cut out a few comfort caps for cancer and the scraps I cut into various sizes of quilt blocks and then when I have several hats cut out I move to the sewing machine. Mary Emerson from the cancer society relates many stories about the ladies picking over the hats. It sure makes me feel that they do really like the caps and perhaps they do comfort.

As I look out the window it is a gloomy, overcast day but here we are in February already, so spring can't be far behind! See you on the 21st!!!

Jean Strait
President 2000-2001

- * Submission of the fee for the class will be required when you sign up for a class. If you don't show up for the class, you forfeit your fee. You can find someone to take your place if you are unable to attend.
- * If the teacher cancels a class and they reschedule for a time you cannot attend, your fee will be refunded.

Please note: the change in procedure of paying at time of sign up is due to the fact that when we reserve the teachers, we are basing the material required on the number of people signing up for that class. The teachers make up kits for the number of people we have told them are interested. We have had to cancel many classes because of the lack of your commitment to participate.
