

Rockwell Collins Craft Club February 2010

**This Month
at a Glance**

Snow, snow, and more snow !!! I may not be eligible to retire yet, but each year I think more and more that I will become a Snowbird when I do retire.

I have been doing lots more reading than crafting this winter. How about you? I hope you are all staying healthy and not getting colds and flu.

☀ Since last month's meeting was cancelled, our charity for this month is still the Free Clinic. We will be collecting money for them. We always collect empty prescription bottles for them, but they could use money too. In December we collected \$133 for the Springville Area Neighborhood Service & Information. That helped to buy gifts for 58 children.

☀ This month's project is a photo/memo board. It's a fabric covered foam core board, with cross-crossed ribbon for hold your items. We have bought an assortment of fabric and ribbon for you to choose from, but if there is a specific fabric you would like to use, you will need 2/3 of a yard and 6 yards of coordinating ribbon, about 3/8" width. Bring scissors for cutting fabric and ribbon. (A similar example is pictured below.)

☀ Some of us got together the week after the cancelled meeting and made Valentines for the VA hospital and nursing home. I dropped off 50 VA ones to KHAK radio station and they will deliver them. Pat Meyer & I will be taking the 60 nursing home Valentines to Irving Point, where her Mother lives.

☀ Next month is our St. Patrick's Day Bingo & Potluck. And this year it actually falls on St. Patrick's Day, March 17th ! So start thinking about what Red or Green dish you will make to share. More details next month.

☀ Remember to bring anything you've done for Show & Tell. We can all use the motivation of others.

☀ GEMS of HOPE has contacted us and we are discussing possible dates with them. Possibly April or May we will have them at our meeting again.

☀ Club member Michelle Bell has asked if we would like to make curtains for the Jane Boyd Community House. We will have more information available at the meeting so we can discuss it.

☀ ***For bad winter weather, remember our policy is that if schools are closed, we will cancel our meeting that day.***

Remembrance

Our condolences go to club member Donna Gelski, who recently lost her husband, Dick.

Also, club member, Betty Johnston, passed away at the end of January, after spending several weeks in the hospital. Betty was an energetic positive person who will certainly be missed.

Remembrance

Remembrance is a golden chain
Death tries to break,
but all in vain.
To have, to love, and then to part
Is the greatest sorrow of one's heart.
The years may wipe out many things
But some they wipe out never.
Like memories of those happy times
When we were all together.
