### **FROM THE PRESIDENT:**

I'm hoping the weather will allow us to get together in January. Seems like such a long time ago that we had our last meeting. The Staff's Christmas party was also cancelled because of the weather.

Another New Year and a chance to start over! Please make it a New Year's resolution to become more involved in the club. Take some of the classes, go on the trips and have an input as to what craft you would like to learn or a needy organization you would like the club to help. Remember that the club can only be as good as its members.

Happy New Year to all and see you on the 17<sup>th</sup>!!!

Jean Strait  
President 2000-2001

A fellow co-worker/woodcrafter is working on a website for our craft club. Currently it is under construction at <http://www.collinsclubs.com/> (look for the Collins Craft Club icon). Once our website is functional, this will be a great way for members with access to the internet to receive their newsletter, (no more e-mails with or without attachments!!). Check out this website for other Collins related clubs also.
