BRRRRRRR. A bit of a drop in temperature since the other day. All those below zero temperatures over Christmas time sure seemed to last forever too. Does anyone else's brain start planning for NEXT Christmas on December 26th? I can't seem to stop doing that!

☀ Our craft project last month was snowmen made out of socks and stuffed with rice. We ended up with an adorable assortment. I always find it interesting how we get such a wide variety of results. Just goes to show how everybody's mind works differently.

☀ Here's directions for anyone who has not come to our new location yet: Please call me if you have any questions or if you get lost. Remember, if you are coming from north of Blairs Ferry Road or from Marion, the median strip will prevent you from turning into the driveway on C Avenue, so if you continue past the building on Blairs Ferry, you can enter that driveway, and then drive around to the front or side of the building to park.

**Building 131 is located at the SE corner of C Avenue and Blairs Ferry Road. There is a small parking lot on the west side of the building, between the front of the building and C Avenue. We will use that main front door, and one of us with a badge will have to open the door to let the others in. Then once inside, the Ash Conference Room and some restrooms are right there for open access to all. See map on next page.**

☀ This month's craft project will be making a Heart hanging ornament and a Heart wreath, all made with scrapbooking papers. Pam picked out some really wonderful papers for us to use. Bring good paper scissors if you have some and also a stapler if you have one. Also, bring a paper cutter if you have one.

<b>Happy Birthday!</b>

## Lady & Sons Chicken

Here's a recipe that my daughter makes all the time. I finally tried it last week and it was so good. It's from Paula Deen. Leftovers reheat really well too. If you didn't want to use wine, I think it would be fine with milk or water substituted. We used Stove Top Stuffing for the crumbs.

My New Year's resolution is to help all my friends gain ten pounds so I look skinnier.

A New Year's resolution is something that goes in one year and out the other.

An optimist stays up until midnight to see the new year in. A pessimist stays up to make sure the old year leaves.

My new year's resolution is to get better at pretending to know the words to Auld Lang Syne.
