Letter from LEAF Steering Committee:

We want to thank you for your recent donation of \$40 to the Local Emergency Assistance Fund.

Your financial help assists local residents and transients with emergency needs which cannot be met by other community resources. With recent layoffs and the current economy we are seeing more people in need. LEAF extends Christ's love each day of the year as we bear our neighbor's misfortunes.

LEAF is a program presently operated through the ministerial umbrella of Churches United.

Funding is through voluntary efforts of local churches, groups and individuals. No government funds are used by LEAF. Many clients repay the Fund in order to help others who may also need assistance. No cash is ever given out. After screening, the counselor may issue the client a voucher which can be used toward the need if covered in our guidelines. Churches United handles the receipt of all contributions and payment of vouchers.

LEAF is governed by a Steering Committee composed of concerned citizens from contributing churches, as well as representatives from the screening agencies.

We appreciate your support.
