Next Meeting – June 21 – 4:30 p.m., Main Plant Cafeteria

CRAFT PROJECT: We will be making beaded earrings at the June meeting. If you have a small needle-nosed pliers or special jewelry round nosed pliers, bring them with you.

SPEAKER: We will have a Master Gardener at our meeting, so be thinking of any questions you might have for her.

NEW MEMBERS & GUESTS: We hope all of our new members are meeting people and having fun. We can always use new ideas and new points of view, so please speak up if you have any.

COMMUNITY SERVICE PROJECT: This month we will be collecting money for the troops. The Marion VFW has people that put together packages of things the solders need and then they ship them to them.

This past month we collected \$80 for the Free Clinic, not to mention more than a huge garbage bag full of empty prescription bottles.

Remember to keep saving your empty prescription bottles with labels removed for the Free Clinic.

They ask that the bottles also be washed. Please remember that they CANNOT take non-Rx bottles or even the pre-packaged bottles from the drug company—only the usual pharmacy ones that are usually green or brown.

Thank you!

Gloria Waltke and Arlys Huff -- Community Service Projects 2005-2006

QUILT PROJECT: I believe all the embroidered quilt blocks have been turned in to Mary Zoll. We'll check with Mary at the meeting for an update on our patriotic quilt.

PILLOW UPDATE: We have been collecting more pillows. If you would like to make some pillow cases, please take the pillow with you, as they vary in size. Use all those JoAnn's coupons to buy some cute fabric, or use fun stuff from your "stash".

REPORTS: Please remember that minutes and the treasurer's reports are available upon request.

MESSAGE FROM THE PRESIDENT: Went to Fennimore for the Sewing Expo the first Saturday of June. As usual, it was lots of fun and we all learned a lot and got motivated. I tried to restrain myself with the shopping this year and instead spent more time with my teachers, going a little early to the class and staying a little after the class. I am really looking forward to our Gardening Expert speaker this month. I am not exactly known for having a green thumb. . . more like a brown one ! I have found that I need hardy self-sufficient plants that don't require much care. Plus, most of my stuff is either in the South sun or in lots of shade, nothing in between, so that can make things difficult too.

On another note, I had a coworker ask me if I knew anyone who would make a T-shirt quilt for her out of her old high school and college T-shirts. I know several of you have made them, but didn't know if you were willing to do it for someone else, or if you would know what to charge. Let me know if you might be interested.

See you on Wednesday.

Shari Burns
