Summer has been awfully hot so far. Instead of relaxing outside I found myself in the house with the air on much more these last few weeks. The heat has made me lazy and I've spent far more time watching tv than sewing. I hope I can get motivated soon. I have enjoyed all the flowers of spring, especially the peonies in the picture above, from my neighbor.

- ☀ Work on the new cafeteria is finally complete, but I have been unable to get answers to whether or not we can start meeting there again. So for this month, we will remain at the church.
- ☀ We made a lot of great cards for the Gems of Hope ladies last month. They are always fun to work with. And for those of us that don't have rubber cement in our lives anymore, that was an added thrill.
- ☀ **Our meeting location & time:** We will be meeting at 4:30 at Jean Strait's church. **Kenwood Park United Methodist Church, 175 34th Street NE.** Park in the parking lot that is on 34th Street and come in that door. We will meet on the lower level in the large room. There is an elevator if you have trouble with stairs.
- ☀ This month we will be giving String Art a try. Have you noticed how some of the craft fads of the 70's are back? We will have a number of different designs to choose from and will be making a 5x7 size piece.
- ☀ Our charity for this month is Gems of Hope.
- ☀ Update on the Rockwell Craft Fair. As of this week, it looks like there will NOT be a fair this year. The building that we have used for the past several years has been sold and the board that runs the show has been unable to find a suitable replacement. They have been searching since last October. Most other places charge as much as 3 or 4 times what we had been paying for rent and many locations don't have the other options we need like phone lines for credit card machines, ample square footage, or tables that are included so we don't have to rent them. If you have any ideas for future locations, please contact Jan O'Brien or Darlene Ozburn.

<b>Happy Birthday!</b>

30th—Judy Kennedy

When Julie Andrews turned 69 and to commemorate her 69th birthday on October 1, actress/vocalist Julie Andrews made a special appearance at Manhattan's Radio City Music Hall for the benefit of the AARP.

One of the musical numbers she performed was "My Favorite Things" from the legendary movie "The Sound Of Music."

Here are the actual lyrics she used:

Maalox and nose drops and needles for knitting,  
Walkers and handrails and new dental fittings,  
Bundles of magazines tied up in string,  
These are a few of my favorite things.

Cadillac's and cataracts, and hearing aids and glasses,  
Polident and Fixodent and false teeth in glasses,  
Pacemakers, golf carts and porches with swings,  
These are a few of my favorite things.

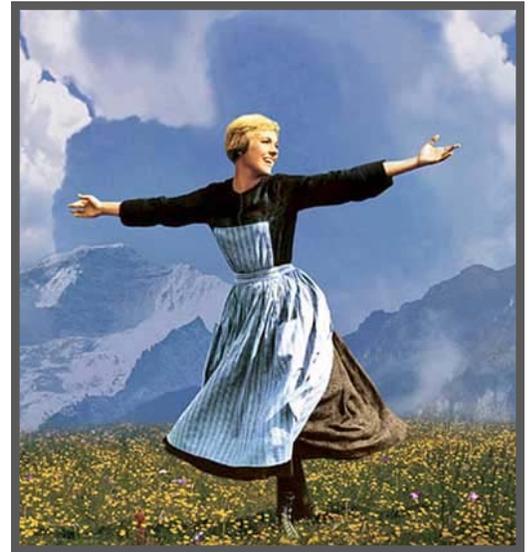

When the pipes leak, When the bones creak,  
When the knees go bad,  
I simply remember my favorite things,  
And then I don't feel so bad.

Hot tea and crumpets and corn pads for bunions,  
No spicy hot food or food cooked with onions,  
Bathrobes and heating pads and hot meals they bring,  
These are a few of my favorite things.

Back pains, confused brains, and no need for sinnin',  
Thin bones and fractures and hair that is thinnin',  
And we won't mention our short, shrunken frames,  
When we remember our favorite things.

When the joints ache, When the hips break,  
When the eyes grow dim,  
Then I remember the great life I've had,  
And then I don't feel so bad.

Ms. Andrews received a standing ovation from the crowd that lasted over four minutes and repeated encores.

*We all know Vanna White from Wheel of fortune, but as many of you know, she is also an avid crocheter who has her own line of yarn.*

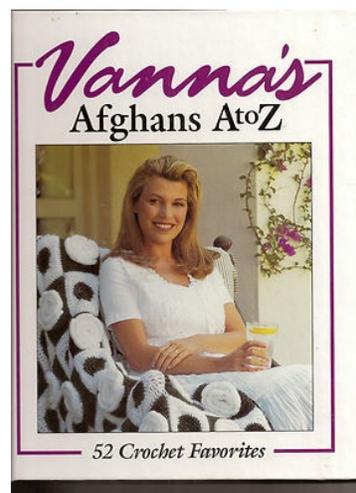

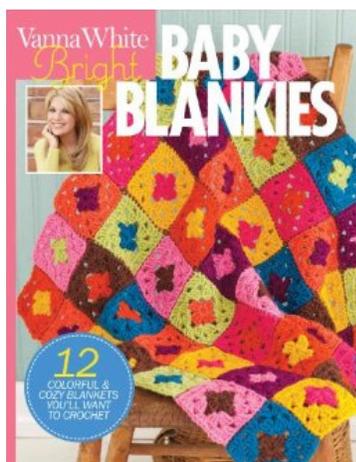

*Lion Brand carries Vanna's Choice yarn. She also has a second type of yarn with Lion Brand called Vanna's Glamour Yarn. Here's a quote about this yarn:*

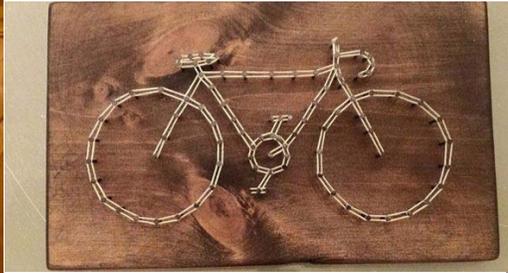

*"This specially designed premium yarn is supremely soft and easy-care. It's also lightweight to give all your projects elegance and drape. Used alone or combined with Vanna's Choice, Vanna's Glamour makes fashion items and accessories that shimmer with light."*

*Vanna learned to do a crochet chain stitch as a child, but then many years passed. One day her hairdresser on the show was crocheting and she asked her to refresh her on how it was done. That woman happened to be left-handed, so that is how Vanna crochets. Vanna has also taught her daughter to crochet (left handed too).*

*There are videos on YouTube about Vanna, her yarn and crocheting. She also has patterns that are free and that she sells.*

Wag, and the world wags with you. Howl, and they put you outside. ~Lady & The Tramp

*"If more people knitted and crocheted, the world would see fewer wars and a whole lot less road rage." – Lily Chin*
