May project – Blue Bird

COMMUNITY SERVICE PROJECT: We collected \$40 for LEAF. Your donations are always greatly appreciated. We received a letter from two of the young men who received one of our care packages. It is really great that they could think of us when they had such duties to perform there in Iraq.

We will collect money for the tornado victims in Missouri and Kansas. **Money donations only.**

Thank you!

Community Service Projects 2002-2003

Thank you so much for your goodie box, it came just in the nick of time for us. We are a small team of six men over in support of Iraqi Freedom, doing our best for people like you. It's great to know we have your thoughts and hopefully your prayers over here. I wish I could send you some news or good word, but we don't get a whole lot of news out our way. It looks as though the war is going well at this time...peace is close at hand. Once again, I thank you and I assure you that these six boys will be home safely. My prayers to you and the ladies at Rockwell Collins. I hope you are hearing good word from your sons and I hope you will be visiting with them in person shortly.

Thank you, Benjamin Taube LCPL, USMC/April 10, 2003

I would just like to reiterate what Ben said, we do appreciate your kind gesture and your concern. It is people like you that make us remember why we are here. My best wishes to all of you, and may God be with your sons. Thanks again.

Nate Winkler CPL/USMC

“CRAFT CORRAL” will be an area for crafters to sell their wares at the Solon Public Library (320 Main Street) in Solon, Iowa during BEEF DAYS celebration on Friday, July 18th and Saturday, July 19th, 2003. The library is approximately 1.5 blocks from the main street carnival fairway. You can expect walking traffic from the fairway area, and there is also a parking lot in front of the library where Craft Corral shoppers can park during Beef Days. This same parking lot will be available to crafters before and after Beef Days for unloading and loading. Contact for further questions – email SolonLibrFriends@aol.com or call Sue at 319-624-2632.

Work this out as you read.

Don't cheat and read the bottom until you've worked through it!

This is fun!

1. First of all, pick the number of times a week that you would like to have dinner out. (try for more than once but less than 10)
2. Multiply this number by 2 (Just to be bold)
3. Add 5. (for Sunday)
4. Multiply it by 50 - I'll wait while you get the calculator.....
5. If you have already had your birthday this year add 1753.... If you haven't, add 1752.....
- 6.. Now subtract the four digit year that you were born.

You should have a three digit number

The first digit of this was your original number (I.e., how many times you want to have eat out each week.)

The next two numbers are...

YOUR AGE! (Oh YES, it IS!!!!)

THIS IS THE ONLY YEAR (2003) IT WILL EVER WORK, SO SPREAD IT AROUND WHILE IT LASTS.
