

# Rockwell Collins Craft Club November 2017

I am a GRANDMA and it's wonderful :)

Little Mason was born two weeks ago and of course he is adorable. Let the grandparenting adventures begin! I am a firm believer that there's no such thing as too many pictures, so I have lots already. I've also been busy with craft show projects for this weekend and December.

☀ Well, our move to the new meeting location was not without a few glitches. The room is great, but some people had a hard time finding it. I will attach the map again. Please call me if you have any questions or if you get lost. Remember, if you are coming from north of Blairs Ferry Road or from Marion, the median strip will prevent you from turning into the driveway on C Avenue, so if you continue past the building on Blairs Ferry, you can enter that driveway, and then drive around to the front or side of the building to park.

**Building 131 is located at the SE corner of C Avenue and Blairs Ferry Road. There is a small parking lot on the west side of the building, between the front of the building and C Avenue. We will use that main front door, and one of us with a badge will have to open the door to let the others in. Then once inside, the Ash Conference Room and some restrooms are right there for open access to all. See map on next page.**

☀ This month's craft project will be painting Mason Jars with Christmas designs and having snow and candles in them.

☀ There was some discussion at the end of last month's meeting as to could we possibly continue to meet at the church. We discussed it at the board meeting and agreed that we cannot afford to pay rent when we have a place when we can use for free. The church is an excellent place, but with only \$12 dues per person per year and company funding that varies widely from year to year, with some years being nothing, we need to go with the free location.

☀ We held election of officers, with current officers being retained, with the exception of Jyce Smith taking a year off for her Charity post. Other officers will assist Arlys as needed with that.

☀ Mary Lagerquist is looking for pieces of quilt batting at least 5" x 10" that can be used for catheter port seatbelt covers to give to chemo patients.

**Apple-Cranberry Crisp with Oat Topping and Cheddar Cheese**

An Emeril Lagasse recipe

- 4 large, sweet, firm apples, such as Braeburn, peeled, cored, and cut into 8 pieces (about 2 pounds)
- 1 pound fresh cranberries, rinsed well
- 1 cup roughly chopped walnuts
- 1 1/2 cups granulated sugar
- 2 tablespoons fresh orange juice
- 2 teaspoons grated orange zest
- 1 1/2 teaspoons ground cinnamon
- 3/4 teaspoon grated nutmeg
- 1 1/2 cups rolled oats
- 1 1/2 cups packed light brown sugar
- 3/4 cup all-purpose flour
- 12 tablespoons unsalted butter, cut into pieces
- 1 1/2 cups grated white cheddar
- Vanilla ice cream, as accompaniment

Preheat the oven to 375 degrees F.

In a large bowl, combine the apples, cranberries, walnuts, sugar, orange juice, orange zest, 1 teaspoon of cinnamon, and 1/2 teaspoon of nutmeg, and toss well to combine.

In a separate bowl, combine the oats, brown sugar, flour, remaining 1/2 teaspoon of cinnamon, and remaining 1/4 teaspoon of nutmeg. Blend the butter into the dry ingredients using your fingers until the mixture resembles coarse crumbs.

Pour the fruit mixture into a 9 by 13-inch baking dish. Sprinkle the crumb mixture over the top and bake for 15 minutes. Lower the temperature to 350 degrees F and continue baking until bubbly and the apples are tender, 35 to 40 minutes. Remove from the oven and sprinkle the cheese over the top. Return to the oven and bake until the cheese is bubbly, about 6 minutes. Remove from the oven and let rest 10 minutes before serving with vanilla ice cream on top.
