FROM THE PRES:

As mentioned in our Sept. newsletter, we will be having a drawing for three (3) \$10 gift certificates to Michael's for members that have paid their dues early at this month's meeting. All members that have paid their dues by our Oct. 18th meeting will be eligible for this drawing. Dues not received in time go to \$13.

The Craft Club has been notified that Rockwell is going LEAN. What this means to our Club is they would like to cut down on paper copies. For those people still active employees, we can send the newsletter electronically as an attachment, so please let us know if you *do not* have access to a computer. For those people that are retired, if you have an e-mail address, please give that information to Cindy Schwarz, for those people that do not have access to a computer, a paper copy will still be provided, but the bottom line is, we need to do whatever we need to do to work with Rockwell on their plan for paper flow reduction. If everyone on the e-mail list gives their permission a list will be printed with the e-mail addresses. Vicky Lydon needs your registration forms by Oct. 28th.

Looking forward to seeing everyone October 18th!!

 President 2000-2001
