

Rockwell Collins Craft Club

October 2012

Fall has arrived. The leaves were coming down so fast the other day that it was noisy! I will be making applesauce this weekend and trying out some new apple recipes next week. October means the Rockwell Craft Fair is only a month away, so all of those participating are probably shifting into high gear. I know I sure am. We have been getting a number of inquiries from possible new members and I am excited about that. We can always use new people and new ideas.

- ☀ It's PIZZA and BINGO time again. **If you don't have your reservation in for pizza yet, please call Jean Strait at 363-1688.** We will again be getting our pizza from Godfather's. Please bring your own drink. A thrilling game of Bingo with marvelous prizes will occur after we eat.
- ☀ Last month's folded star project frustrated a few and made others more determined than ever to master it. I have been making one every day so I can get the process embedded in my brain. I've made two dozen already. They look so great when they are dipped in the wax. If anybody needs some help mastering it, speak up and I'll help you.
- ☀ Our craft project for NEXT month will be coffee filter wreaths. Kate Ford will be our teacher.
- ☀ Jean Strait's church helps our Kenwood school all year round. They have been given an offer from Hy Vee. For every \$200.00 in receipts that is turned in to the school it will be given one dollar. Doesn't seem like much but there is no out of the pocket expense and Kenwood school can use every penny given them. So please save your HyVee receipts and give them to Jean.
- ☀ We will discuss what dates and times we want our sewing nights to be for our Little Dresses project. So come with some ideas.
- ☀ Our charity project for this month will be collecting money for a soldiers Christmas project. The Stockings for Soldiers is not happening this year, so we will find another way to get things to them.

Here's an idea for Halloween paper medallions.

Floral arrangement with PEEPS and candy.
You put a narrow vase inside the bigger vase
so your flowers can be in water and the candy
can be in the layer between the two vases.

A pumpkin arrangement.

HELPFUL HINT

How to make your house smell good —

If you want your house to smell heavenly, boil some orange peels with a 1/2 teaspoon of cinnamon on Medium heat.

Here is a recipe from Pampered Chef. These are wonderful.

Apple Bundles

Slice apples using Apple Peeler/Corer/Slicer.

Unroll refrigerated crescent rolls, and cut each triangle in half lengthwise to end up with 16 triangles of dough.

Place 3 or 4 apple slices at wide end of each strip and roll up.

Preheat oven to 375 degrees.

Arrange bundles on the pizza stone and bake 25-30 minutes or until golden brown.

If desired, drizzle powdered sugar glaze on top after partially cooled.

Don't make me call the flying monkeys.

Happy Birthday!
