Fall is here again. I do love the cool temperatures and the beautiful leaves, but can't help but think a bit about winter coming. And that also means CRAFT SHOW SEASON!! My first one is October 17th in Anamosa at the Lawrence Community Center. So I've been busy getting ready for that. I am having foot surgery the day after our meeting this month, but should only be off work for about a week. I figured I can work on my tags for the Rockwell show :)

- ☀ No craft this month, as we will be eating Pizza and playing Bingo! If you have not gotten on the Pizza List yet, please call Jean Strait at 363-1688. If you want to donate any bingo prizes, just wrap them up in any kind of paper you can find and bring them with you. Remember, since our club funds are sparse, we may ask you to chip in a bit more for the pizza like we did last year. Remember to bring your own drink.
- ☀ Last month we made lots of cards for Gems of Hope. They are always thankful for us, as we have lots of experience and so good work.
- ☀ Our Charity for this month will again be a donation to Gems of Hope.
- ☀ We are still in need of a Treasurer, so we are looking for another volunteer. Please speak to any of the board members if you might be interested.
- ☀ Our new fiscal year starts again this month, so PLEASE consider running for an office. We don't want to get in a rut with the same people all the time.
- ☀ Also, dues are due again too. Registration form attached.
- ☀ I think there are still a few spots open if you want to be in the Rockwell Craft Fair. Call Jan O'Brien at 377-8111 if interested.

I searched Pinterest for the 50 most popular craft projects and this interesting one came up. It's 3 Ingredient DIY Foam Paint.

So if you have some kids to entertain, this sounds like fun.

Making foam paint is as easy as it gets. You've got your shaving cream, your craft/school glue and your food coloring – that's it!

Mix equal parts shaving cream and glue into a ziplock bag, add your desired food coloring and then, with the bag sealed, squish the bag together until all your ingredients are nicely mixed together. Have your little artists create a layout for their design on a semi-rigid material (I used large white cardboard envelopes) and when they're ready for the foam simply cut off a corner at the bottom of the bag and use like you're piping icing. Once the art has been completed, set aside so the foam can dry and solidify overnight.

Make sure you are wearing something every day that never goes out of style Just smile. :)

Here are a few pictures from our meeting with Gems of Hope last month.
