Oct Pizza Party. Will need to pay \$1 for drinks at the September.

FROM THE PRESIDENT: I have been pondering just what to say about our last meeting. I still can't believe we (meaning the staff) were talked to like we were. As we explained we have never nor we ever do anything illegal or a disgrace against Rockwell. We are a very generous, giving, caring group of ladies. As example our quilts for the kids at the Ronald McDonald house, our monthly contributions to a charity, our quilt that we made and sent to New York in memory of 9-11-01, our generous gift of hats and mittens and school supplies to the low income schools in C.R. We have our guidelines set by the company and don't do anything special without consulting with our support coordinator. Our dues are the lowest of any of the clubs in the company.

As far as thinking we are keeping anything from you, this is true. We don't mention the time spent in making the kits, bringing supplies from our own stashes, our trips to stores to check on prices so we get the most for your money. We also use our coupons to help lower the cost. We won't mention the gas we use to check on crafts (the wooden Spool) or to buy supplies for the crafts.

The present staff searches their catalogues for ideas and buy objects that they think the ladies would enjoy making (using their own money). Don't ever think we are hiding anything from the members.

We will be reading the minutes of the last meeting as requested. Members only can have a voice during the meeting. Visitors will be able to attend one meeting and then they must join the club.
