

Rockwell Collins Craft Club September Newsletter

It's apple season once again. We used to always make a trip to Gays Mills to the orchards, but with the price of gas I think we'll find some closer to home. Those of you that

are planning on being in the Rockwell Craft Fair, I imagine you are busy busy busy getting ready. I will be having foot surgery on September 12th, so depending on how I am doing I may not be at the meeting this month. If I am there it will be with my foot propped up high!

☀ Thanks to Deanna Braun for showing us how to make the origami fabric covered bell ornaments. I believe most people got two made. They are an easy and inexpensive item to make. If you would like to see more of Dee's work, they are having their church fall sale on Friday & Saturday, October 18-19. The hours are 7am—6pm on Friday and 8am—1pm on Saturday. They are located at 720 Edgewood Road NW at the corner of F Avenue.

☀ This month's craft project is an angel made from a hard cover Reader's Digest Condensed Book. Jean Strait and Jan O'Brien have both donated the books for this project. We will have a couple different options for angel hair, but if you have any hair or yarn at home that might work, please bring it along. Also, if you have any old doilies you don't need, about 10 inches across, bring those.

☀ This month's charity will again be Camp Courageous. They have a HUGE list of needs. See the list on Page 3.

☀ Rockwell Craft Fair tags are usually available at our meetings from Jan O'Brien or Darlene Ozburn. Tags are \$2.75 per bundle (approximately 100 tags per bundle) and are the ONLY type of tags that can be used.

☀ As always, please feel free to send me anything you think might be a good addition to the newsletter.

Apple Butter—Crockpot

By: Amanda@MomsWithCrockpots.com
Serves: 4 pints

Ingredients

- 5 1/2 pounds apples - peeled, cored and finely chopped
- 2 cups brown sugar
- 2 teaspoons ground cinnamon
- 1/4 teaspoon ground cloves
- 1/4 teaspoon salt

Directions

1. Place the apples in a slow cooker. In a medium bowl, mix the sugar, cinnamon, cloves and salt. Pour the mixture over the apples in the slow cooker and mix well.
 2. Cover and cook on high 1 hour.
 3. Reduce heat to low and cook 9 to 11 hours, stirring occasionally, until the mixture is thickened and dark brown.
 4. Uncover and continue cooking on low 1 hour. Stir with a whisk, if desired, to increase smoothness.
- Spoon the mixture into sterile containers, cover and refrigerate or freeze.

Notes

You can also can the finished apple butter in a water bath canner. Process the jars for 10 minutes. I only used 1 cup of sugar because the apples I had were sweet enough on their own. Feel free to taste and adjust the sugar accordingly!
